

## **Rahul Roy-Chowdhury**

### Global Head of Product

Rahul is Global Head of Product at Grammarly, focused on product strategy and leading Grammarly's product, data, and design teams.

Previously, Rahul spent 14 years at Google, where he was VP of Product Management. Most recently, he led Google's Privacy, Safety, and Security teams. Prior to that, he spent ten years leading the product management teams for Chrome browser and Chrome OS. Before Google, Rahul worked at Solidcore Systems and Lazard Frères. He has a BA in mathematics from Hamilton College, an MS in computer science from Columbia University, and an MBA from Stanford University Graduate School of Business.
